

**Please send this completed form to [tgclu@comcast.net](mailto:tgclu@comcast.net)**

Please be aware that if the paper is selected as a finalist, the entire team and a professor is expected to participate in the Financial ConNEXTion Cruise. Teams will be disqualified if any member is not able to attend, except in the case of a medical or national emergency.

**If selected as one of the finalist teams** we have a short window of time to arrange cruise cabins. To help expedite the process we need to collect cabin preferences for the attending professor and students. **We will cover the cost of an inside cabin based on a double occupancy.** If a professor or student desires a single room, or share a room with another individual, or an upgrade we cover half the value of an inside cabin. Cabin cost includes all the taxes/fees, gratuities, wifi, and a yet to be determined credit to cover group excursion(s). If desire other than inside please indicate below.

**PROFESSOR REGISTRATION** **Please complete your name as appears on passport ID.**
